Data necessary for identification of the product type:

The Elevating work platform type UP Lift 5 120 - made according to documentation No. UPLIFT_5_20.01.2020_001 is a mobile machine designed to move people to work stations where they work from a working platform; these people climb on and off the platform in its lower position. The device consists of a working platform with control elements, supporting structure, chassis and drive unit.

The technical parameters declared by the manufacturer are included in the UP Lift 5 120 operating manual from January 2020.

(9) Basis for issuing the certificate:

EN 280:2013+A1:2015
(PN-EN 280+A1: 2015)

EN 60204-1:2018
(PN-EN 60204-1:2018-12)

(10) The certificate remains valid provided that the obligations stipulated in the agreement No. JSHT/09/U/2020 are observed.
